

## 20 units (default units usually = pts) high Headline

All text is "Body" text. (no heads or tails)

Here @ 12 units high you must include just enough text for parts of a line. PDF has no page feeds no wrap  
nor \new line feed, no ¶aragraphs

nor carriage \return.

It is not \tabular, each page is one row of multiple pages,

each page is one text column wide .[x] no yes ?? che  
each row is one text column wide .[x] no is yes  
each row is one text column wide . • bullet point OK
